Ergonomic

Breathable

Air conditioned

Washable 40°

Removable

Hypoallergenic

AURORA

The Harmony MF Donatello mattress was developed with the aim of providing the best support and alignment of the spine.

The careful selection of materials has allowed us to obtain a structure with breathability at the highest possible standards and excellent dispersion of heat and humidity.

Memory Breeze is a revolutionary product, capable of breathing 50 times more than traditional Memory.

This allows us to offer a fresh and ventilated support surface, ensuring that the deep sleep phase is not disturbed by high temperatures and excessive sweating.

The mixed Cashmere lining offers a soft and pleasant hand, promoting the evaporation of humidity.

The Harmony MF Donatello mattress is available in the 800 or 1600 spring versions.

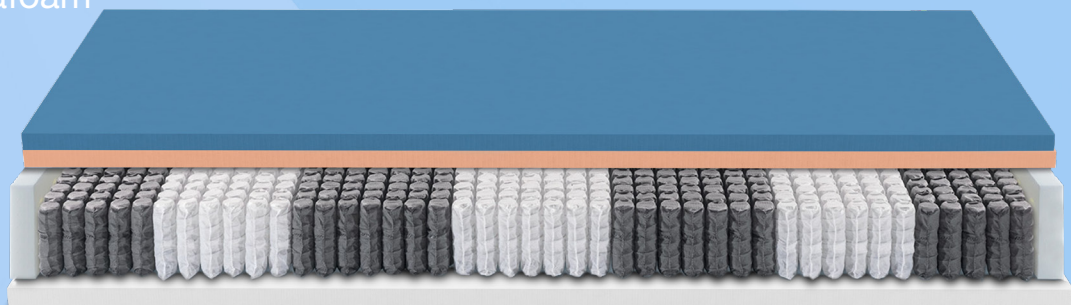

MATERIALS:

The Donatello mattress cover is made of a cashmere blend, which therefore offers a soft and pleasant feel, as well as the hygroscopic action of the wool, which therefore makes humidity evaporate more quickly, keeping the sleeping surface always cool and dry.

TECNOLOGY:

- 3 cm Breeze Memory
- 3 cm Acquafoam HD
- 16 cm Pocket springs
- 3 cm Acquafoam
