Technology and tradition for a healthy rest.

Height 28 cm

Air conditioned

Medium-high load  
bearing capacity

Washable 40°

Ergonomic

Removable

Breathable

Hypoallergenic

**AURORA**

The Harmony MF Leonardo mattress was developed with the aim of providing the best support and alignment of the spine.

The careful selection of materials has made it possible to obtain a structure with breathability at the highest possible standards and excellent dispersion of heat and humidity.

Memory Breeze is a revolutionary product, capable of breathing 50 times more than traditional Memory.

This allows us to offer a fresh and ventilated support surface, ensuring that the deep sleep phase is not disturbed by high temperatures and excessive sweating.

The Tencel lining, extracted from the eucalyptus tree, offers a pleasant freshness, heating up little and therefore maintaining a constant temperature during the night's rest.

The Harmony MF Leonardo mattress is available in the 800 or 1600 spring versions.

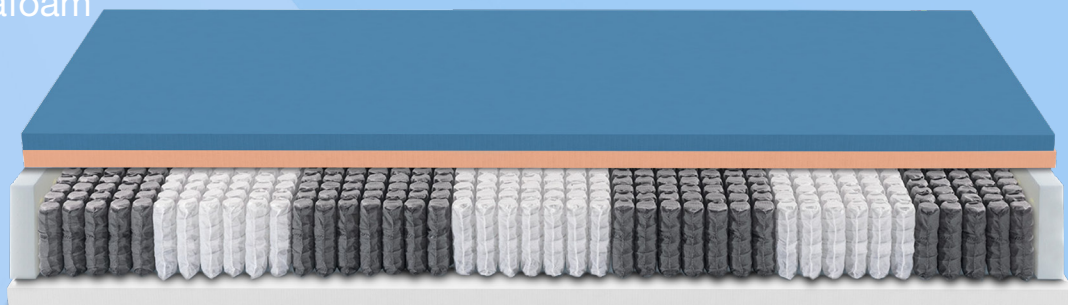

### MATERIALS:

The Leonardo mattress cover is made of Tencel, a fiber extracted directly from the eucalyptus tree, thanks to its freshness it is ideal for those who are looking for a dry and always fresh fabric. It also offers a natural anti allergic, anti mite and anti bacterial action.

### TECNOLOGY:

- 3 cm Breeze Memory
- 3 cm Acquafoam HD
- 16 cm Pocket springs
- 3 cm Acquafoam
