

AURORA

The word "AURORA" is written in a bold, white, sans-serif font. A blue wavy line passes through the middle of the letters. Below the text is a large, orange, semi-circular shape that resembles a stylized sun or a horizon line.

HARMONY XL SIRIO

HARMONY XL SIRIO

The new technology of the orthopedic mattress.

Height 24 cm

Air conditioned

Sustained lift

Washable 40°

Ergonomic

Removable

Breathable

Hypoallergenic

AURORA

The Harmony Sirio mattress was developed with the aim of providing a high level of support, making it ideal for those with robust builds.

Equipped with flip technology, it can therefore be turned upside down, as well as rotated.

These characteristics are then reinforced by its high load bearing perimeter reinforcement, which guarantees its durability over time as well as a high level of support.

The possibility of turning the mattress upside down is ideal when there is a large difference in weight between users, in fact balancing the wear on four possible sides of use.

The Harmony Sirio mattress is available in the 800 or 1600 spring versions.

MATERIALS:

The Sirio mattress cover in Tencel 37°, a fabric extracted directly from eucalyptus, for a fresh and natural sleep. Equipped with 37 degree technology, to keep the temperature constant, avoiding agitating the rest due to excessive cold or heat.

TECHNOLOGY:

- 3 cm Acquafoam HD
- 16 cm Pocket springs
- 3 cm Acquafoam HD
